Matthew Reid

Software Engineer

Austin, TX, (281) 202-5888

matthewreid.co | github | LinkedIn | mattreid321@gmail.com

Creative software engineer with the ability to pick up new languages and technologies as needed. Prior to being a software engineer, I worked as a supervisor for the City of Austin where I managed a team of field inspectors and collaborated with stakeholders and government officials to provide departmental support and solutions to specific opportunities.

Software Development Skills

- JavaScript, Node.js, React, Express, Redux, PostgreSQL, Sequelize, Bootstrap, Flexbox, React Native, Tailwind, HTML, CSS, NoSQL
